Walton is a small village in mid-Somerset, about ten miles from Bridgwater and four miles from Glastonbury. It is a pretty little spot of no particular interest but great charm, chiefly on account of its rural simplicity and general air of quietude. At Sharpham Manor House, in the near vicinity, Fielking was born.

Dear Miss Brislaw
 many thanks for my
 nice cards. I hope you
 received the cards I
 sent you whilst on my
 holiday's I had very fine
 weather while away only
 two wet half days. We
 have never been so
 pleasant. I have only
 been to one race meeting
 at all during the summer.
